BC Municipal Climate Leadership Council Workshop

Council approved Mayor Atkinson and Councillor Hancock's attendance to a free workshop with the BC Municipal Climate Leadership Council and Community Energy Association to be held following the NCLGA Convention in May. The workshop will share information regarding the Province of BC's CleanBC Plan and how to maximize community benefits through the resulting opportunities for local governments.

Victory Building Centre's Temporary Use Permit Application

Council approved Victory Building Centre's application for a Temporary Use Permit which allows for the construction of a "street showroom" to display snowblowers and other equipment at the front of their building along Mackenzie Blvd.

Letter of Understanding – Mackenzie Pulp Mill Corporation

Council approved a Letter of Understanding regarding emergency response between the Mackenzie Pulp Mill Corporation and the Mackenzie Fire Rescue Department. This formal agreement will allow both parties to share training opportunities, equipment use by request, equipment purchases and allow for the use of personnel resources in times of need.

Investment Portfolio

Under Council Policy 3.13 Investment, the Chief Financial Officer provided Council with an annual report on the performance of the District's investment portfolio.

Public Engagement Contract Award

Council approved the proposal from HUM Consulting to provide services to create a "Public Engagement Strategy" for Recreation Services, utilizing the Little Mac Ski Hill as the topic of choice. Further information will be provided as it becomes available. Please watch the District website (www.districtofmackenzie.ca) and its social media channels for opportunities to participate.

Ski Hill Groomer Grant Application

Council approved the District's grant application to the Northern Development Initiative Trust for \$15,000 towards the replacement of the Little Mac Ski Hill groomer.

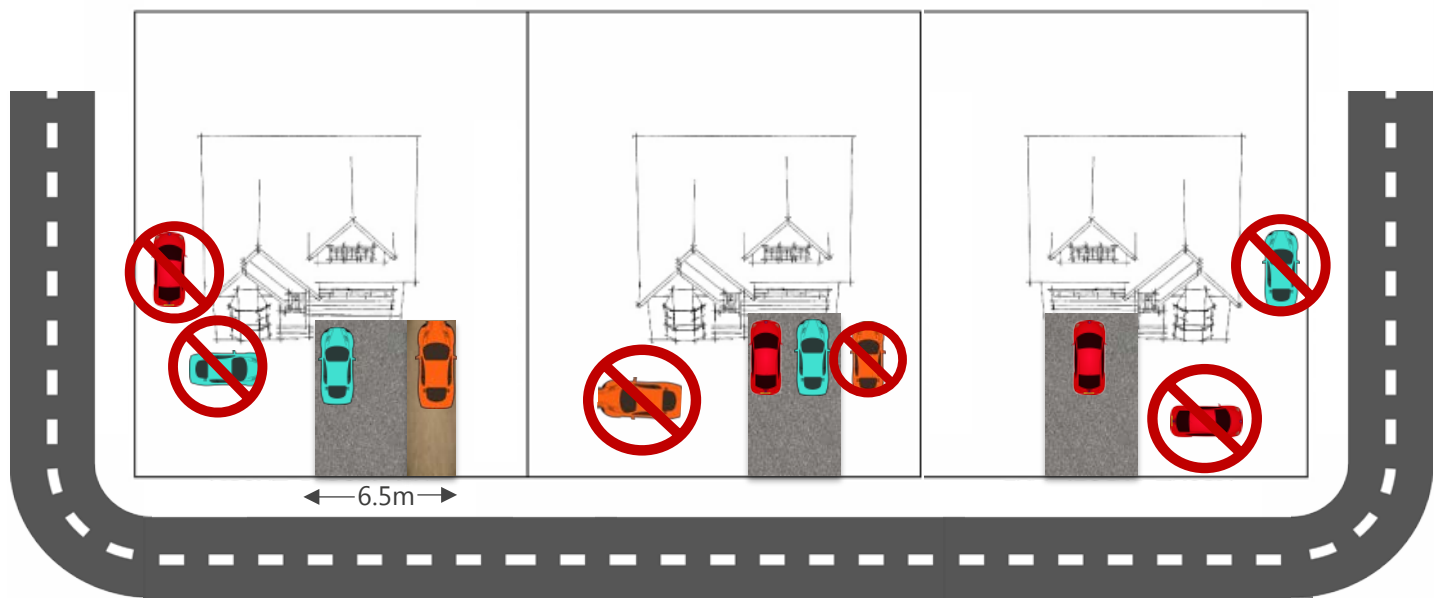

Resident & Workforce Attraction Contract Award

Council approved the proposal from Hey K Marketing to provide services to assist with the development of a new Mackenzie relocation package, marketing materials, and marketing plan to assist employers with the recruitment of employees and attract new residents.

Parking Regulations

Council reviewed and gave readings to the following bylaws: Zoning Amendment Bylaw No. 1409, Unsightly Premises Amendment Bylaw No. 1410 and the Municipal Ticket Information Amendment Bylaw No. 1411.

The intent of these bylaws is to ensure that, **when parked in front of the house or exterior side of a corner lot, all vehicles are parked on a driveway or pre-existing improved driveway** as shown below:

A public hearing will be held at **5:45 pm April 23, 2019** to receive comments regarding these amendments. We encourage all interested residents to please attend and provide any feedback you may have on the proposed bylaws. Written submissions are also welcome. If you are unable to attend, please send any written submissions to info@districtofmackenzie.ca.

Copies of the proposed bylaw are available at the Municipal Office, 1 Mackenzie Blvd., Monday to Friday (except statutory holidays) between the hours of 8:30 am and 4:30 pm or online at www.districtofmackenzie.ca.
