BUSINESS WALK

→ July 12, 2021 • 9 am - 4 pm ←

The District is currently developing a Community Economic Development Strategy for creating a diverse, vibrant local economy and we'd like to hear from our local business community!

WHAT IS A BUSINESS WALK?

Teams of elected officials, District staff, and volunteers will be visiting businesses for a 10–15-minute interview about your experience doing business in Mackenzie and to identify ways we can help businesses succeed.

WHAT WILL WE ASK?

- What do you like most about doing business in Mackenzie?
- What are the challenges you face?
- What can be done to help your business thrive?

THE RESULT

By taking the time to answer a few questions, you will be contributing to the development of our Community Economic Development Strategy with actions to address common challenges and to better support local business success.
