

Community & Investment Profile

www.districtofmackenzie.ca

Welcome to the District of Mackenzie

Dear Potential Investor:

The District of Mackenzie invites you to explore the opportunities we have to offer. We want you to know that we are open for business and eager to work with potential investors. We are fortunate to have one of the most diverse fibre supply areas in the province of British Columbia with only 40% of our timber being pine. The long-range outlook for forestry and forestry value-added industry in our region is positive. Mackenzie is working hard to take advantage of the opportunities around mining, mineral exploration and green energy as a means of diversifying our economy. We also have low land costs, competitive tax rates, various tax incentive and business support programs, as well as available power and rail access for new industrial business prospects.

It is the mission of the District of Mackenzie to strive to improve the lifestyle, services and opportunities to our residents and visitors by:

- Maintaining a healthy environment and economic conditions which allow for businesses and individuals to flourish and maximize their potential;
- Providing quality services and programs;
- Providing quality executive and administrative leadership from an open and responsible Council and Administration.

Mackenzie is a great place to live and work and maintains a high quality of life for its residents including:

- A strong sense of pride and community;
- A safe and resilient community;
- Outdoor recreation opportunities that are world-class;
- Clean air and clean water;
- First class municipal recreation facilities;
- No municipal debt;
- Outstanding snow removal services;
- Good health outreach services.

We encourage you to consider investing in our community and look forward to working with you to explore opportunities. If you have any questions, or would like additional information, please feel free to contact our Economic Development Department at 250-997-3221 or ecdev@districtofmackenzie.ca.

Sincerely,

Joan Atkinson, Mayor

British Columbia has one of the most attractive investment climates for business in North America.

Manufacturers, for example, enjoy benefits such as:

- **Strong Economic Fundamentals** and market opportunities associated with major, long-term projects
- **Low Tax Rates** (personal and corporate) that rank BC among the lowest in Canada - complemented by sales tax exemptions on machinery and tax credits for research and development expenditures
- **Competitive Operating Costs** including low cost electricity relative to elsewhere in Canada or the US
- **Competitive Wage Rates** reflecting a balanced and growing labour pool
- **Growing Labour Supply** with the government initiatives that are driving labour mobility into BC and training our existing workforce assets
- **Welcoming Communities** that keenly encourage new manufacturing and service investments
- **Financial incentives** for capital investments and job creation in northern BC; contact Northern Development Initiative Trust

Demographics

Mackenzie is home to a wide range of people.

Mackenzie is home to a wide range of people, from young to old, with middle aged, English-speaking adults representing the largest group. However, you'll hear everything from Punjabi to Tagalog being spoken here.

People in Mackenzie tend to have received some kind of post-secondary education and that is reflected in the median household income – which is even higher than Vancouver's! That means you're more likely to be able to afford that dream home here in Mackenzie, where real estate continues to be affordable.

Business Costs

Mackenzie is a great place to start a business, with competitive labour costs, regional incentives and affordable real estate that will help protect your bottom line as your business grows. Below you can find information on the baseline costs you can expect when you do business in Mackenzie.

Minimum Wage & Overtime

\$15.65
June 2022

Overtime

Employees are paid **1.5 times their regular wage** after eight hours a day, up to 12 hours.

Employees are paid **two times their wage** for time worked over 12 hours a day.

Mandatory Benefits

Canada has two federal insurance plans, which employers and employees jointly pay into. There is also a statutory deduction for Worker's Compensation.

Canada Pension Plan (CPP)

The CPP ensures that Canadians have a basic income for retirement. Employers contribute 5.7% of employee wage to a maximum annual contribution of \$3,499.80 (2022).

canada.ca/en/revenue-agency.html

Employer Contribution Employment Insurance (EI)

EI ensures that workers have income available for them should they become unemployed. Employers pay 1.4 times the amount of the employee's premiums and stop deducting premiums when the employee's maximum insurable earnings (\$60,300 for 2022) or the maximum employee premium for the year (\$952.74 for 2022) is reached.

canada.ca/en/revenue-agency.html

Worker's Compensation

WorkSafeBC collects premiums from businesses to cover the costs of work-related injuries. Your premiums fund the costs associated with work-related injuries or diseases, health care, wage loss, rehabilitation, and administration.

The average base rate for 2022 is 1.55% of employers' assessable payroll. For 2022, the maximum assessable payroll per worker is \$108,400.

Transportation

Located in British Columbia's beautiful interior, Mackenzie is found in the scenic Rocky Mountain Trench, between the Omenica Mountain Range to the west and the Rocky Mountains to the east.

Despite this seclusion, Mackenzie is well served by highway, rail, and air transportation services. That means businesses in our region are able to access markets across North America and the world.

Highway

It is also very accessible with road access on Highway 39 at the junction of BC's major transport route, Highway 97, and only two hours from an international airport.

Distance

Prince George, BC	183 km	2 hrs
Fort St. John	311 km	3.5 hrs
Grand Prairie	451 km	5 hrs
Kamloops, BC	710 km	7.5 hrs
Edmonton, AB	863 km	9 hrs
Prince Rupert, BC	900 km	10 hrs
Vancouver, BC	968 km	10.5 hrs
Calgary, AB	970 km	10.5 hrs
Victoria, BC	1,069 km	10.5 hrs 1.75 hrs
Seattle, Washington, USA	1,084 km	11.75 hrs
Portland, Oregon, USA	1,363 km	14.5 hrs

Air

Mackenzie Airport (CYZY)

The Mackenzie Airport serves the community's aviation needs including fuel sales, charter flights, corporate flights, helicopter landings, medivac airlifts, recreational flying opportunities, and private aircraft storage. The airport has recently undergone major upgrades including the construction of a new terminal building and fuel distribution system. The airport is located just 5.6 km (3.5mi) west of the community centre.

Hours of Operation: Tuesday – Sat 8am-4pm

Runways: One - 1,585m in length.

Water and Sewer Systems

It is the District's priority to ensure that residents receive a high-quality water supply and waste water services.

Our residents expect to get clean potable water from their taps every day and this is ensured through the monitoring, testing, and maintenance of its water system.

The District operates two closed loop water distribution systems. For in-town residents, the water draws water from two wells, one located at First Beach and one at Second Beach. The reservoir, located next to Little Mack Ski Hill, holds approximately 596,000 cubic metres.

For Gantahaz residents, the District has two wells located on Alberta and Columbia Drive. The reservoir holds approximately 350,000 cubic metres.

To ensure continued high standards of drinking water quality and delivery for the District of Mackenzie and Gantahaz Subdivision, the District sends weekly water samples for bacterial testing and biennial samples for chemical testing.

Housing & Commercial Real Estate

There's one word that sums up Mackenzie's real estate market – affordable.

Whether you're looking to build a business, buy a vacation home, or move here to start a new life, Mackenzie has a great deal just waiting to be discovered by you.

In fact, real estate in Mackenzie is some of the most affordable in the entire province. Astute investors will note the region's abundance of lands and buildings available for commercial and industrial business opportunities.

To help facilitate such opportunities, the District keeps a comprehensive land inventory of District-owned properties that are available for purchase, and we can connect you with local realtors that can provide information on privately owned land. If there isn't suitable or sufficient land available from the municipality, private sector crown land could be the solution.

Bell Place Residential Subdivision

Picture your dream home here!

Bell Place is the perfect place to create your own unique space. Each lot has terrific views of the Omenica Mountain Range to the west and has direct access to trails, schools, medical services, recreation facilities and shopping.

These fully serviced lots are waiting for you!

For further information contact the Economic Development Department at 250-997-3221 or ecdev@districtofmackenzie.ca.

Industrial Lands

Mackenzie is a planned community, with its industrial site located in a separate area outside of the populated townsite. The industrial area is well served by road, rail, air, as well as water transportation on Williston Lake. Land within the Industrial site is zoned Light Industrial, Heavy Industrial, and Airport use.

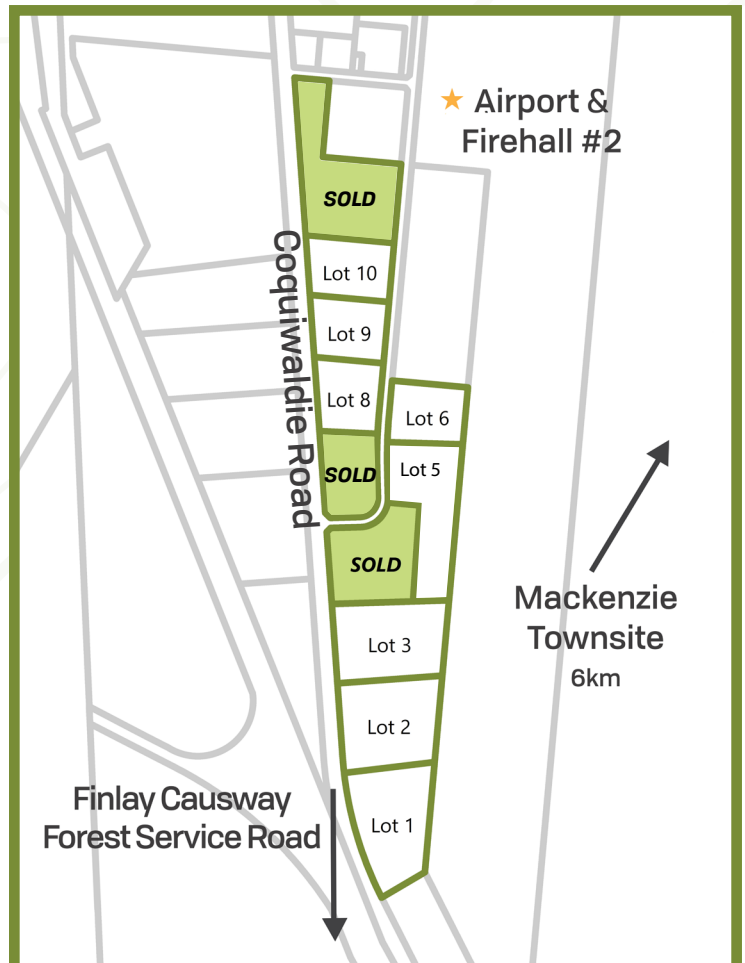

View the Districts Zoning Bylaw No. 1368 for applicable uses or contact the Economic Development Department at 250-997-3221 or ecdev@districtofmackenzie.ca.

Property Highlights & Info

Location: All lots are located within the Industrial Site near the Mackenzie Airport.

Access: Gravel road access from Mill Road along Coquiwaldie and Airport Roads.

Property Highlights: Close to major industrial operations, industrial service providers, and fuel suppliers. The industrial area is served by road, rail and water transportation on Williston Lake, with access to a robust fibre supply. A short commute from Mackenzie's townsite residential neighbourhoods.

Taxes & Fees

In British Columbia the only taxes that are unique in individual communities are property taxes. These are applied on the assessed value of land and improvements (buildings). There are no taxes on payrolls, machinery and equipment, or inventory.

Federal and Provincial Taxes

Canada has a **five percent (5%) value-added tax** called the Goods and Services Tax (GST). It is fully recoverable for all business inputs.

British Columbia has a **seven percent (7%) sales tax**. Various business inputs are exempt from the tax, including production machinery and equipment, software development, construction labour and various materials.

canada.ca/en/services/taxes.html

Provincial Tax Info

gov.bc.ca/gov/content/taxes/sales-taxes

District of Mackenzie Tax Information

districtofmackenzie.ca/government-town-hall/property-taxes

Corporate Income Tax

British Columbia's general corporate income tax rate is **only 12%**. When combined with the federal rate, British Columbia **businesses pay a combined general corporate income tax rate of 27%** — among the lowest in the G7.

Personal Income Tax

British Columbia has the lowest provincial personal income taxes in Canada for individuals earning up to \$125,000.

Northern Residents Deduction

If you have lived in Mackenzie on a permanent basis for work-related reasons for at least six consecutive months, you may qualify for the Northern Residents Deduction. This partial deduction can result in a significant tax saving on your personal income taxes.

Revitalization Tax Exemption Program

If you're looking to physically grow your business space with new construction or renovations, then this program might benefit you.

Quality of Life

The quality of life we enjoy in Mackenzie is exceptional.

Surrounded by an abundance of natural beauty, Mackenzie has some of B.C.'s best municipal water. Built in the 1960s as a planned community, our town is walkable, compact and pristine – our industrial area is separated from residential living to ensure clean air the whole year round.

Mackenzie is also a great place to raise a family, with a very low crime rate, low taxes, high paying jobs, and affordable real estate that means you'll be able to find your dream home.

Recreation

One of Mackenzie's biggest draws is the wide variety of recreation, from tranquil trails to exciting outdoor adventures.

Mackenzie Recreation Centre

Located at the heart of the community, the Mackenzie Recreation Centre is a hub for all things fitness and fun! We feel privileged to have such a robust facility which is home to our aquatic centre, weight room and cardio centre, ice arena, child's play area, and the Mackenzie Public Library. In addition, our staff work hard to offer a range of exciting recreation and fitness programs and courses to help you explore, grow, and thrive every day. There is something for everyone!

Pet Friendly Parks

Mackenzie Off-Leash Dog Park

Located behind Recreation Centre & Ernie Bodin Centre. This fenced rectangular area is a great space to practice dog training skills.

2nd Beach Located on Morfee Lake

It's a great place for you and your pet to go for a dip on a hot day!

Surrounding Area Recreation Opportunities

The adventure extends all around Mackenzie!

Mackenzie is a great home base to gather supplies and set out on adventure in the surrounding Provincial Parks and Forestry Recreation Sites just a short ride away.

Many of these have campsites, boat launches and hiking trails. If you are keen on winter sports, the area is full of opportunity for snowshoeing, skiing, snowboarding and snowmobiling.

Powder King Mountain Resort & Azouzetta Lake Lodge

Skiing | Snowboarding | Snowmobiling | Summer Camping & Winter Lodging

Just forty minutes away, Powder King Mountain Resort is a ski hill located in the Pine Pass. It's pretty much in the middle of nowhere, but here's the thing: everybody knows about it. Powder King — or just PK — is the kind of place that hardcore skiers and snowboarders all over BC talk about, usually wistfully hoping for the day they'll somehow get to go there.

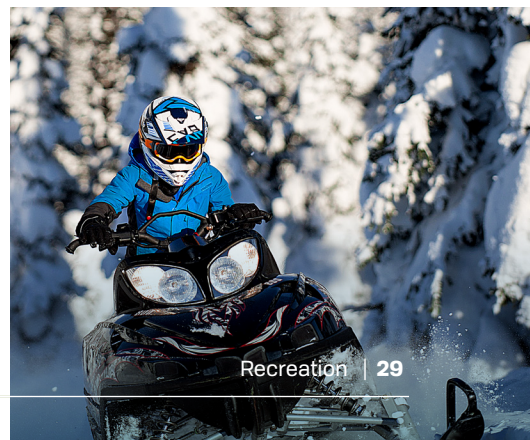

ski.powderking.com

Why is this out-of-the-way ski hill so revered? Well, all the snow that Mackenzie gets, Powder King gets — and more. Average annual snowfall in the Pine Pass is 12.5 metres (41 feet). That's a lot of powder... hence the name. Known for all this snowfall and some awesome terrain, the mountain is a destination for skiers and boarders from across northern BC and beyond.

In a way, it doesn't hurt that it's somewhat hard to get to (unless you're in Mackenzie, that is), because here waiting in line for the chairlift is pretty unlikely. Plus, with most of its runs named after Beatles' tunes, your ski trip is guaranteed to put a smile on your face.

Need a place to stay? Powder King and the neighboring Azouzetta Lake Lodge, have year-round options for everyone, whether visiting for winter adventure or on a family camping trip in the summer.
