MACKENZIE

BRITISH COLUMBIA

SMALL TOWN. MASSIVE LANDSCAPE.

Mackenzie sits in the epic Rocky Mountain Trench. From here, every imaginable adventure is close at hand - from high mountain ridges, to deep blue lakes. Scramble to the tops of peaks for a panoramic view, hike amazing alpine ridges, and ride your bike through the lush forest. Float soundlessly on glassy lakes and cast a line into the waiting mouths of hungry fish. Glide along a moonlit trail on cross country skis, growl up snow-clad slopes on a snowmobile, or snowboard silently through deep, fluffy powder. When your exploration space is this grand, you take advantage of every single moment.

MACKENZIE OVERVIEW

Our friendly community of roughly 3,300 residents is about a two hour drive north of Prince George. The closest neighboring community is McLeod Lake, 30 minutes south, which is home to the McLeod Lake Indian Band.

Mackenzie is located at the south end of Williston Lake, the largest lake in British Columbia and the seventh largest reservoir (by volume) in the world.

Real estate in Mackenzie is some of the most affordable in the province. Astute investors will note the region's abundance of lands and buildings available for commercial and industrial business opportunities.

Mackenzie was built in the 1960's as a planned community. As such, the town was thoughtfully designed as a walkable compact community, with the industrial area separated from the residential area to ensure clean air and peaceful living in town.
