Disaster Risk Reduction – Climate Adaption Grant Application

The Regional District of Fraser-Fort George is applying for a grant from the Union of BC Municipalities Disaster Risk Reduction – Climate Adaption program. The intent of the funding stream is to support local and First Nation governments to reduce risks from future disasters due to natural hazards and climate related risks. The RDFFG has requested a letter of support towards their application, Council approved the request.

Council Remuneration

Council requested staff bring a report forward regarding current Council remuneration.
