

August 28

Recreation Access Program

Council approved a resident's request to participate in the Recreation Access Program and discussed ways to reduce barriers to the program for those in need.

College of New Caledonia – Letter of Support

Council received a request from Shannon Bezo, Regional Principal of the College of New Caledonia, requesting a letter of support towards their grant application to the Northern Development Initiative Trust's Economic Infrastructure Grant program. This grant funding would be used to complete the renovations and assets needed for CNC's Event/Teaching Kitchen space that was opened in 2021. Council approved the request.

Quesnel Highway 97 North-South Interconnector Project

Council received a request from the City of Quesnel for support towards the Quesnel Highway 97 North-South Interconnector Project by resolution or letter of support. Council approved the request and passed a resolution of support.

Canada Institute of Forestry – National Forest Week

Council received a request from the Canadian Institute of Forestry to participate in National Forest Week September 17-23. The one-week campaign challenges Canadians across the country to learn more about the forest sector and its significance to Canada's culture, history, and future, while also supporting a greater recognition of forests as a valuable, renewable and green resource. Council approved the request.

Construction Update on New Fire Hall

Council received an update on the new Fire Hall. An updated schedule for the completion of the new Fire Hall indicates substantial completion of the project as of October 24, 2023.

Paving Management Plan – Contract Award

Council awarded the 2023 Roadway Data Collection and Pavement Management Plan contract to International Cybernetics Canada Inc. in the amount of up to \$45,168 plus applicable taxes.

TELUS Watertower Lease

Council authorized the Chief Administrative Officer to execute a lease agreement with TELUS Communications Inc. for use of the roof of the District water tower for communication purposes.

Recreation Fair

Council resolved to set up a table at the Recreation Fair on September 9th for Bear Awareness.
