Statement of Needs

The District of Mackenzie is seeking commercial property insurance services associated with the following three policies:

- Commercial Property Insurance
- Crime Insurance
- Boiler & Machinery Insurance

See Appendix for the current coverage specifications based on the District of Mackenzie appraisal completed in June 2024.

The District of Mackenzie is also seeking cyber insurance services for the organization.

Evaluation Process & Criteria

Each response to this RFP will be evaluated by the District of Mackenzie to determine the degree to which it responds to the requirements set out. As this is a RFP, other factors in addition to price will be considered when submissions are evaluated, therefore your proposal must include the following information:

- a. Resume, two page maximum, outlining your business and personal experience in the municipal commercial property and cyber insurance field, including any related certifications and education.
- b. Provide evidence that your organization is licensed and in good standing to operate as an insurance broker in the Province of British Columbia.
- c. Provide evidence of municipal experience including your familiarity with operations and associated risks as well as demonstrated comprehensive knowledge of legislation governing municipal operations.
- d. The name of the Insurer that the policy is held with and their experience handling municipal insurance.
- e. Provide a list of current municipal clients of similar size, exposure and scope of operations in your proposal. Please include a list of three (3) references including contact names, addresses and phone numbers.
- f. Provision of limits of coverage and any exclusions.
- g. All premiums must be quoted for a full annual term. Premiums must be final and agreed in full with all insurers.
- h. Provision of a detailed cost breakdown.
- i. The lowest of any proposed quote will not necessarily be accepted by the District of Mackenzie. The District's evaluation criteria will include:
 - Completeness of submission and project appreciation
 - Responsiveness to the RFP requirements as demonstrated by the proponent's ability to provide all of the coverages specified as well as all other details requested in the proposal document.
 - Experience
 - The proponent's proven ability to implement and administer the District's commercial property and/or cyber insurance program.
 - The proponent's experience in providing insurance to municipalities.

- Services Offered
 - Risk Management Services: The District is insured through Municipal Insurance Association for their municipal liability coverage, which includes risk management services, therefore risk management is not included in the proposal.  - Claims Management Services, including evidence of how the proponent links claims analysis to their risk management advisory services.
 - References.
 - Policy and coverage information related to each of the policies.
 - Price of annual premium for November 1, 2024 to October 31, 2025 for the three policies outlined:
 - Commercial Property Insurance

 - Boiler & Machinery Insurance
 - Price of annual premium for December 1, 2024 to November 30, 2025 for cyber insurance.

Confidentiality

The proposal should clearly identify any information that is considered to be confidential or proprietary information (the "Confidential Information"). However, the District of Mackenzie is subject to the Freedom of Information and Protection of Privacy Act. As a result, while the Act offers some protection for third party business interests, the District of Mackenzie cannot guarantee that any Confidential Information provided to the District of Mackenzie can be held in confidence if a request for access is made under the Freedom of Information and Protection of Privacy Act.

Irrevocability of Proposals

By submission of a written request, the Proponent may amend or withdraw their proposal prior to the closing date and time. Upon closing time, all proposals become irrevocable and are valid for a minimum of 60 days. Should their submitted proposal be successful, the Proponent agrees to enter into a contract with the District of Mackenzie. Prices will be firm for the entire contract period, unless otherwise agreed to by both parties.

Alternate Proposals

If an alternate solution is offered, the information shall be submitted in the format requested as a separate proposal.

Limitation of Damages

By submitting a proposal, the Proponent waives any claim for loss of profits if no contract is made with the Proponent, and agrees to all terms and conditions of this RFP. Proponents who have obtained the RFP electronically must not alter any portion of the document, with the exception of adding the information requested. To do so will invalidate the proposal. The Proponent is responsible for ensuring that they have obtained and considered all information necessary to understand the requirements of the RFP and to prepare and submit their proposal.

Cancellation of RFP

The District of Mackenzie reserves the right to cancel this RFP at any time.

Accuracy of Information

The District of Mackenzie makes no representation or warranty, either express or implied, with respect to the accuracy or completeness of any information contained or referred to in this RFP.

Default

The District of Mackenzie may, by notice of default to the Contractor, terminate the whole or any part of the Contract if the Contractor fails to make delivery of the Services within the time specified, or to perform any other provisions of the Contract.

In the event the District of Mackenzie terminates the Contract in whole or in part as provided in clause (a), the District of Mackenzie may procure goods or services similar to those so terminated, and the Contractor shall be liable to the District of Mackenzie for any excess costs for such similar goods or services.

The Contractor shall not be liable for any excess costs under clause (a) if failure to perform the Contract arises by reason of Force Majeure or acts of the District of Mackenzie.

Misrepresentation or Solicitation

If any director, officer, employee or agent of a Proponent makes any representation or solicitation to any Councillor, officer, employee or agent of the District of Mackenzie with respect to the RFP, whether before or after the submission of the proposal, the District of Mackenzie shall be entitled to reject or not accept the proposal.

Business License and Permits

The successful Proponent shall be responsible for acquiring and maintaining a valid District of Mackenzie Business License for the term of the Contract if the successful Proponent is to conduct work on the District of Mackenzie property.

Payment Terms

The successful Proponent shall invoice the District of Mackenzie in an acceptable format and will be paid as per the District of Mackenzie's standard payment terms, net 30 days from date of invoice. The District of Mackenzie shall not pre-pay for any goods, or services for any period, unless agreed to in writing by the District of Mackenzie.
