INTRODUCTION

Surrounded by an abundance of natural beauty, the quality of life we enjoy in Mackenzie is exceptional. Recreation is key to our healthy lifestyle, with exceptional natural features drawing residents outdoors. Great community services and facilities provide opportunities to meet and engage with neighbours.

Built in the 1960s as a planned community, our town is walkable, compact and pristine – our industrial area is separated from residential living to ensure clean air the whole year round. Land within the Industrial site is zoned Light Industrial, Heavy Industrial, and Airport use.

The business and development opportunities in Mackenzie are bountiful. From its roots as a forestry town, Mackenzie has grown into a strong and supportive community with a robust and diverse economic base. This provides residents with consistent and reliable employment. With low land costs, competitive tax rates, and road, rail and barge access for new business prospects, Mackenzie is a great place to set down roots and set up shop.

“Mackenzie is a great place to set down roots and set up shop.”

Mackenzie has a growing workforce that is rooted in resource-based industries such as forestry, agriculture, mining, oil and gas. Many residents also work in related industries that support these ventures, including retail, education, health services, construction and manufacturing.

There’s one word that sums up Mackenzie’s real estate market – affordable. In fact, real estate in Mackenzie is some of the most affordable in the entire province. Astute investors will note the region’s abundance of lands and buildings available for commercial and industrial business opportunities.

Our friendly community of roughly 3,300 residents is about a two hour drive north of Prince George. The closest neighboring community is McLeod Lake, 30 minutes south, which is home to the McLeod Lake Indian Band. Mackenzie is located at the south end of Williston Lake, the largest lake in British Columbia.

Our town has a rich history with local First Nations and is within Treaty 8, one of the few areas of BC under a settled treaty.
