

June 9, 2025

National Drowning Prevention Week 2025

Council proclaimed July 20 – July 26, 2025, National Drowning Prevention Week.

Referral 7410366 – Logging Camp Permit

Council received a referral from the Province of BC looking for comments with respect to Conifex Timber's application to renew their License of Occupation for their existing Swannell Camp operation located north-west of Mackenzie on the other side of Williston Lake. Council directed Administration to respond in support of the application with no objections.

Referral 7410367 – Windpower Investigation

Council received a referral from the Province of BC looking for comments with respect to an investigative license application to evaluate the future development of a wind energy project near Mackenzie. Council has requested further information and will be finalizing their comments back to the Province at an upcoming Council meeting.
