## Management's Responsibility

---

To the Mayor and Council of District of Mackenzie:

Management is responsible for the preparation and presentation of the accompanying financial statements in accordance with Canadian public sector accounting standards. This responsibility includes the selection and application of appropriate accounting principles and methods, the use of significant accounting judgments and estimates, and making decisions affecting the measurement of transactions in which objective judgment is required. Management is also responsible for ensuring that all information contained in the annual report is consistent with the consolidated financial statements.

In discharging its responsibilities for the integrity and fair presentation of the financial statements, management designs and maintains the necessary accounting systems and related internal controls to provide reasonable assurance that transactions are authorized, assets are safeguarded and financial records are properly maintained to provide reliable information for the preparation of financial statements.

The Council is composed entirely of members who are neither management nor employees of the District of Mackenzie (the "District"). The Council is responsible for overseeing management in the performance of its financial reporting responsibilities, and for approving the consolidated financial statements and the financial information included in the annual report. The Council fulfils these responsibilities by reviewing the financial information prepared by management and discussing relevant matters with management and the external auditors. The Council is also responsible for recommending the appointment of the District's external auditors.

MNP LLP is appointed by the Council to audit the financial statements and report directly to them; their report follows. The external auditors have full and free access to, and meet periodically and separately with, both the Council and management to discuss their audit findings.

Diane Smith  
Chief Administrative Officer

---

Kerri Borne  
Chief Financial Officer

To the Mayor and Council of the District of Mackenzie:

## Opinion

We have audited the financial statements of the District of Mackenzie (the "District"), which comprise the statement of financial position as at December 31, 2025, and the statements of operations and accumulated surplus, changes in net financial assets, cash flows and the related schedules for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the District as at December 31, 2025, and the results of its operations, changes in its net financial assets and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

## Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the District in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## Other Matter

The financial statement for the year ended December 31, 2024 were audited by another auditor who expressed an unmodified opinion on those statements on May 5, 2025.

## Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the District's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the District or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the District's financial reporting process.

## Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the District's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the District to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Plan and perform the group audit to obtain sufficient appropriate audit evidence regarding the financial information of the entities or business units within the District as a basis for forming an opinion on the financial statements. We are responsible for the direction, supervision and review of the audit work performed for the purposes of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

*The accompanying notes are an integral part of these consolidated financial statements*

**1. Operations of District of Mackenzie**

The District of Mackenzie (the "District") is a municipality that was formed in 1966 under the Community Charter, formerly the Municipal Act, a statute of the Province of British Columbia. The District's principal activities include the provision of local government services to residents of the incorporated area. These services include administrative, protective, transportation, environmental, recreational, water, waste water and fiscal services.

**2. Significant accounting policies**

These financial statements are the representations of management, prepared in accordance with Canadian public sector accounting standards and including the following significant accounting policies:

***Basis of presentation***

Sources of revenue and expenses are recorded on the accrual basis of accounting. The accrual basis of accounting recognizes revenue as it becomes available and measurable; expenses are recognized as they are incurred and measurable as a result of the receipt of goods or services and the creation of a legal obligation to pay.

***Consolidation basis***

(i) Consolidated entities:

The consolidated financial statements reflect the assets, liabilities, revenues and expenses of the reporting entity. The reporting entity is comprised of all organizations, committees and local boards accountable for the administration of their financial affairs and resources to the District and which are owned or controlled by the District.

Included in these consolidated financial statements is the Mackenzie Public Library which is controlled by the District.

(ii) Accounting for Region and School Board transactions:

The taxation, other revenues, expenses, assets and liabilities with respect to the operations of the Region and the School District are not reflected in these consolidated financial statements.

(iii) Trust funds:

Trust funds and their operations administered by the District are not included in these consolidated financial statements.

***Financial instruments***

The District recognizes its financial instruments when the District becomes party to the contractual provisions of the financial instrument. All financial instruments are initially recorded at their fair value.

At initial recognition, the District may irrevocably elect to subsequently measure any financial instrument at fair value. The District has not made such an election during the year.

The District subsequently measures investments in equity instruments quoted in an active market at fair value. Fair value is determined by published price quotations. Transactions to purchase or sell these items are recorded on the trade date. Net gains and losses arising from changes in fair value are recognized in the consolidated statement of remeasurement gains and losses. The District has not presented a consolidated statement of remeasurement gains and losses as it does not have any items giving rise to remeasurement gains (losses). Interest income is recognized in the consolidated statement of operations and accumulated surplus. Investments in equity instruments not quoted in an active market are subsequently measured at cost. With the exception of those instruments designated at fair value, all other financial assets and liabilities are subsequently measured at amortized cost using the effective interest rate method.

Transaction costs directly attributable to the origination, acquisition, issuance or assumption of financial instruments subsequently measured at fair value are immediately recognized in the consolidated statement of operations and accumulated surplus. Conversely, transaction costs are added to the carrying amount for those financial instruments subsequently measured at cost or amortized cost.

2. **Significant accounting policies** (Continued from previous page)

**Financial instruments** (Continued from previous page)

All financial assets are tested annually for impairment. Management considers whether the investee has experienced continued losses for a period of years in determining whether objective evidence of impairment exists. Any impairment, which is not considered temporary, is recorded in the consolidated statement of operations and accumulated surplus. Write-downs of financial assets measured at cost and/or amortized cost to reflect losses in value are not reversed for subsequent increases in value. Reversals of any net remeasurements of financial assets measured at fair value are reported in the consolidated statement of remeasurement gains and losses.

**Cash and cash equivalents**

Cash and cash equivalent include balances with banks and short-term investments with maturities of three months or less.

**Inventory**

Inventory consist of supplies, repairs parts and materials consumed in operations and capital projects. Inventory is recorded at cost which is determined on a weighted average basis.

**Investment in Government Business Partnership**

The District records its investments in its government business enterprises ("GBE") and its government business partnerships ("GBP") on a modified equity basis. Under the modified equity basis, the GBE and GBP accounting policies are not adjusted to conform with those of the District and inter-organizational transactions and balances are not eliminated. The District recognizes its equity interest in the annual earnings or loss of the GBE and GBP in its consolidated statement of operations and accumulated surplus with a corresponding increase or decrease in its investment asset account. Any dividends or other cash distributions are recorded as a reduction to the investment asset account.

The District's investment in government business enterprises and partnerships consist of:

- McLeod Lake Mackenzie Community Forest Corporation 50%
- McLeod Lake Mackenzie Community Forest Limited Partnership 50%

**Tangible capital assets**

Tangible capital assets are initially recorded at cost based on historical cost accounting records. The cost includes amounts that are directly attributable to acquisition, construction, development or betterment of the asset. Contributed tangible assets are recorded at their fair value at the date of contribution. Assets under construction are not amortized until the asset is available for productive use.

When conditions indicate that a tangible capital asset no longer contributes to the District's ability to provide goods and services, or that the value of future economic benefits associated with a tangible capital asset is less than its net book value, the District reduces the cost of the asset to reflect the decline in it's value. Write-downs of tangible capital assets are not reversed.

The District does not capitalize interest costs associated with the acquisition or construction of a tangible capital assets.

**2. Significant accounting policies** *(Continued from previous page)*

**Tangible capital assets** *(Continued from previous page)*  
**Amortization**

Tangible capital assets are amortized annually using the straight line at rates intended to amortize the cost of the assets over their estimated useful lives:

	<i>Method</i>	<i>Rate</i>
Buildings	straight-line	40 - 75 years
Building improvements, equipment and IT	straight-line	4 - 40 years
Drainage and transportation infrastructure	straight-line	10 - 100 years
Machinery, equipment and vehicles	straight-line	5 - 20 years
Water infrastructure	straight-line	10 - 100 years
Sewer infrastructure	straight-line	10 - 100 years

**Liability for contaminated site**

A liability for remediation of a contaminated site is recognized at the best estimate of the amount required to remediate the contaminated site when contamination exceeding an environmental standard exists, the District is either directly responsible or accepts responsibility, it is expected that future economic benefits will be given up, and a reasonable estimate of the amount is determinable. The best estimate of the liability includes all costs directly attributable to remediation activities and is reduced by expected net recoveries based on information available at December 31, 2025.

At each financial reporting date, the District reviews the carrying amount of the liability. Any revisions required to the amount previously recognized is accounted for in the period revisions are made. The District continues to recognize the liability until it is settled or otherwise extinguished. Disbursements made to settle the liability are deducted from the reported liability when they are made.

**Asset retirement obligation**

A liability for an asset retirement obligation is recognized at the best estimate of the amount required to retire a tangible capital asset (or a component thereof) at the financial statement date when there is a legal obligation for the District to incur retirement costs in relation to a tangible capital asset (or component thereof), the past transaction or event giving rise to the liability has occurred, it is expected that future economic benefits will be given up, and a reasonable estimate of the amount can be made. The best estimate of the liability includes all costs directly attributable to asset retirement activities, based on information available at December 31, 2025. The best estimate of an asset retirement obligation incorporates a present value technique, when the cash flows required to settle or otherwise extinguish an asset retirement obligation are expected to occur over extended future periods.

When a liability for an asset retirement obligation is initially recognized, a corresponding asset retirement cost is capitalized to the carrying amount of the related tangible capital asset (or component thereof). The asset retirement cost is amortized over the useful life of the related asset.

At each financial reporting date, the District reviews the carrying amount of the liability. The District recognizes period-to-period changes to the liability due to the passage of time as accretion expense. Changes to the liability arising from revisions to either the timing, the amount of the original estimate of undiscounted cash flows or the discount rate are recognized as an increase or decrease to the carrying amount of the related tangible capital asset.

The District continues to recognize the liability until it is settled or otherwise extinguished. Disbursements made to settle the liability are deducted from the reported liability when they are made.

**Revenue recognition**

**Government Transfers**

Government transfers, which include legislative grants, are recognized as revenue in the consolidated financial statements when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfer revenue is recognized in the consolidated statements of operations as stipulations for liabilities are settled.

2. **Significant accounting policies** *(Continued from previous page)*

**Revenue recognition** *(Continued from previous page)*

**Externally restricted revenue**

The District recognizes externally restricted inflows as revenue in the period the resources are used for the purpose specified in accordance with an agreement or legislation. Until this time, the District records externally restricted inflows in deferred revenue.

**Tax revenue**

Taxation and user fee revenues are recognized in accordance with the provisions of the Community Charter. The District is required to act as the agent for the collection of certain taxes and fees imposed by other authorities. Collections for other authorities are excluded from the District's taxation revenues.

The District is entitled to collect interest and penalties on overdue taxes. This revenue is recorded in the period the interest and penalties are levied.

Tax revenue is initially measured at management's best estimate of the amount resulting from the original taxable event in accordance with tax legislation. The related tax receivable is initially recognized at its realizable value at the date of acquisition. At each financial statement date, the District evaluates the tax receivable for collectability and records a valuation allowance to reflect the tax receivable at its net recoverable amount, if necessary.

**Investment income**

Investment income is reported as revenue in the period earned. When required by the funding government or related Act, investment income earned on deferred revenue is added to the investment and forms part of the deferred revenue balance.

Revenue from transactions with performance obligations, such as sale of services, licenses, and permits, user fees, and other revenue is recognized when the District satisfies a performance obligation by providing the promised goods or services to a payor. The performance obligation is evaluated as being satisfied either over a period of time or at a point in time.

**Use of estimates**

The preparation of financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period.

Items subject to such estimates and assumptions include the carrying values of tangible capital assets, inventory, accrued liabilities, asset retirement obligation and collectibility of accounts receivable.

By their nature, these judgments are subject to measurement uncertainty, and the effect on the financial statements of changes in such estimates and assumptions in future years could be material. These estimates and assumptions are reviewed periodically and, as adjustments become necessary they are reported in earnings in the years in which they become known.

**Asset classification**

Assets are classified as either financial or non-financial. Financial assets are assets that could be used to discharge existing liabilities or finance future operations. Non-financial assets are acquired, constructed or developed assets that do not normally provide resources to discharge existing liabilities but are employed to deliver government services, may be consumed in normal operations and are not for resale in the normal course of operations. Non-financial assets include tangible capital assets, prepaid expenses and inventory.

**District of Mackenzie**  
**Notes to the Consolidated Financial Statements**  
*For the year ended December 31, 2025*

**3. Accounts receivable**

	2025	2024
Taxation - current	2,606,329	1,780,470
Taxation - arrears/delinquent	859,557	157,895
Grants	473,614	2,888,086
Accrued interest	422,667	442,876
Trade and miscellaneous	258,934	429,245
Sales tax	146,695	153,419
Utilities	130,728	133,242
	4,898,524	5,985,233
Less: Allowance for doubtful accounts	42,113	36,775
	4,856,411	5,948,458

**4. Investments**

	2025	2024
Term deposits	20,704,249	19,234,306

Investment income earned on investments and cash and cash equivalents of \$848,822 (2024 – \$1,305,809) is recognized as revenue on the consolidated statement of operations and accumulated surplus as investments and penalties. The term deposits mature between April 30, 2026 to September 13, 2027 with interest rates ranging from 2.48% - 4.60%.

**5. Investments in government business partnerships and entities**

On January 15, 2008, McLeod Lake Mackenzie Community Forest Corporation was incorporated. McLeod Lake Mackenzie Community Forest Corporation was formed for the purpose of providing management services to the McLeod Lake Mackenzie Community Forest Limited Partnership.

The District is a 49.5% Limited Partner of McLeod Lake Mackenzie Community Forest Limited Partnership, and has 50% ownership of the 200 issued shares of McLeod Lake Mackenzie Community Forest Corporation.

The District's investment in McLeod Lake Mackenzie Community Forest Limited Partnership and McLeod Lake Mackenzie Community Forest Corporation are recorded on a modified equity basis. Under this method, the District's equity is adjusted by the annual profits and losses and declared dividends of the Partnership and Corporation, if any.

The District investments in these entities are as follows:

	Investment in shares	Cumulative share of earnings	Distributions	2025 Total investment
McLeod Lake Mackenzie Community Forest Limited Partnership - 49.5%	50	8,415,965	(3,881,276)	4,534,739
McLeod Lake Mackenzie Community Forest Corporation - 50%	100	60,514	-	60,614
	150	8,476,479	(3,881,276)	4,595,353

	84,385,100	82,831,464

**10. Growing Communities Reserve Fund**

The Province of British Columbia distributed conditional Growing Communities Fund (GCF) grants to communities at the end of March 2023 to help local governments build community infrastructure and amenities to meet the demands of population growth. The GCF provided a one-time total of \$1 billion in grants to all 161 municipalities and 27 regional districts in British Columbia.

The District received \$1,723,000 of GCF funding in March 2023.

	2025	2024
Growing Communities Fund	1,864,377	1,766,474
Interest income	72,618	97,903
	1,936,995	1,864,377

**District of Mackenzie**  
**Notes to the Consolidated Financial Statements**  
*For the year ended December 31, 2025*

**11. Northern Capital Planning Grant Reserve**

In fiscal 2020, the District was the recipient of \$2,459,000 under the Northern Capital and Planning Grant (NCPG) program from the Province of British Columbia.

	<b>2025</b>	<b>2024</b>
Opening balance of reserves	<b>980,853</b>	1,511,924
Reserves used	<b>(272,752)</b>	(598,287)
Interest income	<b>32,893</b>	67,216
	<b>740,994</b>	980,853

**12. Government transfers**

The government transfers reported on the consolidated statement of operations and accumulated surplus are:

	<b>2025</b>	<b>2024</b>
<b>Provincial grants:</b>		
Unconditional	<b>654,546</b>	619,241

Grants in lieu	<b>10,829</b>	9,783
	<b>223,637</b>	2,427,055
<b>Other grants:</b>		
Conditional	<b>403,052</b>	865,606
Unconditional	<b>11,100</b>	427,492
Fortis BC	<b>31,428</b>	34,342
Miscellaneous	<b>127,277</b>	178,728
	<b>572,857</b>	1,506,168
	<b>5,411,802</b>	7,305,023

**District of Mackenzie**  
**Notes to the Consolidated Financial Statements**  
*For the year ended December 31, 2025*

**13. Net taxation revenue**

As disclosed in note 16(b), the District is required to collect taxes on behalf of and transfer these amounts to the government agencies below:

	2025	2024
<b>Taxes collected:</b>		
General purposes	4,805,372	5,876,538
Collection for other governments	2,475,313	2,454,010
	7,280,685	8,330,548
<b>Transfers to other governments:</b>		
Provincial government	(1,614,732)	(1,527,229)
Fraser-Fort George Regional Hospital District	(497,745)	(529,060)
Regional District of Fraser-Fort George	(326,682)	(350,461)
B.C. Assessment Authority	(36,044)	(47,086)
Municipal Finance Authority	(136)	(144)
	(2,475,339)	(2,453,980)
	4,805,346	5,876,568

**14. Municipal Pension Plan**

The District and its employees contribute to the Municipal Pension Plan (a jointly trustee pension plan). The board of trustees, representing plan members and employers, is responsible for administering the plan, including investment of assets and administration of benefits. The plan is a multi-employer defined benefit pension plan. Basic pension benefits are based on a formula. As at December 31, 2024, the plan has about 273,000 active members and approximately 133,000 retired members. Active members include approximately 47,000 contributors from local governments.

Every three years, an actuarial valuation is performed to assess the financial position of the plan and adequacy of plan funding. The actuary determines an appropriate combined employer and member contribution rate to fund the plan. The actuary's calculated contribution rate is based on the entry-age normal cost method, which produces the long term rate of member and employer contributions sufficient to provide benefits for average future entrants to the plan. This rate may be adjusted for the amortization of any actuarial funding surplus and will be adjusted for the amortization of any unfunded actuarial liability.

The most recent actuarial valuation for the Municipal Pension Plan as at December 31, 2024, indicated a \$2,675 million funding surplus for basic pension benefits on a going concern basis.

The District paid \$359,019 (2024 - \$383,275) for employer contributions to the Plan in fiscal 2025.

The next valuation will be as at December 31, 2027, with results available in 2028. Employers participating in the plan record their pension expense as the amount of employer contributions made during the fiscal year (defined contribution pension plan accounting). This is because the plan records accrued liabilities and accrued assets for the plan in aggregate, resulting in no consistent and reliable basis for allocating the obligation, assets and cost to individual employers participating in the plan.

**15. Segments**

Segmented information has been identified based upon lines of service provided by the District. District services are provided by departments and their activities are reported by functional area in the body of the consolidated financial statements. Certain lines of service that have been separately disclosed in the segmented information are as follows:

General Government: The general government operations provides the functions of corporate administration and legislative services and any other functions categorized as non-departmental in the District. It also administers economic development projects and provides grants to various community groups that provide recreational opportunities in the District.

Protective Services: Protective services is comprised of emergency management and regulatory services.

Transportation Services: Transportation services is responsible for a wide variety of services including the development and maintenance of the District's roadway systems through the Public Works department, snow removal and street lighting.

Public Health: Public health provides the dental centre, mosquito control and maintenance of the cemetery to the residents of the District.

Garbage and Waste Collection: Garbage and waste collection provides garbage collection and disposal services to residents and businesses in the District.

Community Services: Community services is responsible for the construction and maintenance of the District's parks and green spaces. It provides for the operation of the community centre, library and recreation centre.

Water Utility: The water utility installs and maintains water wells, pump stations and the water reservoir. The treatment and distribution of water in the District through Public Works is included in this segment.

Sewer System: The sewer system installs and maintains sewer mains, lift stations and the sewage lagoon. The collection and treatment of sewage in the District through Public Works is included in this segment.

The segmented information included in the Schedule of Segment Disclosure by Service provides additional information for the foregoing functions. The accounting policies used in these segments are consistent with those followed in the preparation of the financial statements as disclosed in Note 1.

**16. Commitments and contingencies**

(a) The District is responsible, as a member of the Regional District of Fraser-Fort George, for its portion of any operating deficits or capital debt related to functions in which it participates.

(b) The District is obligated to collect and transmit property taxes levied on District of Mackenzie taxpayers in respect of the following bodies:

- Ministry of Education,
- Province of British Columbia
- Regional District of Fraser-Fort George
- British Columbia Assessment Authority
- Municipal Finance Authority
- Fraser-Fort George Regional Hospital District
- Royal Canadian Mounted Police

(c) The District is a participant in the Municipal Insurance Association of British Columbia. Should the Association pay out claims in excess of premiums received, it is possible that the District, along with other participants, would be required to contribute towards the deficit. Management does not consider payment under this contingency to be likely and therefore no amounts have been accrued.

(d) The District may be involved from time to time in legal proceedings, claims and litigation that arise in the normal course of business. As at December 31, 2025, there are claims outstanding that management has determined the outcome to be undeterminable and thus no accrual has been recorded.

**District of Mackenzie**  
**Notes to the Consolidated Financial Statements**  
*For the year ended December 31, 2025*

**17. Budget Information**

The disclosed budget information represents the Financial Plan Bylaw 1524 that was adopted by the Mayor and Council of the District of Mackenzie on May 5, 2025. The financial plan forms the basis for taxation, fees, and charges rates which may be required for a particular year.

Revenues:	<b>19,710,852</b>
Other capital revenue	<b>(743,240)</b>
Transfer from reserve funds	<b>(3,489,298)</b>
Transfer from accumulated surplus	<b>(397,504)</b>
Transfer from surplus funds	<b>(132,537)</b>
Transfer from invested in tangible capital assets	<b>(1,885,036)</b>
	<b>13,063,237</b>
Expenses:	<b>19,710,852</b>
Transfer to reserve funds	<b>(2,857,757)</b>
Transfer to general fund	<b>(338,525)</b>
Capital expenditures	<b>(4,232,538)</b>
	<b>12,282,032</b>
<b>Annual surplus</b>	<b>781,205</b>

**18. Trust Funds**

The District operates a cemetery and maintains a cemetery perpetual care fund in accordance with the Cremation, Interment and Funeral Services Act. The trust fund assets and liabilities are not included in the consolidated financial statements. As at December 31, 2025, the balance of funds held in trust was \$20,694 (2024 - \$18,817).

**19. Financial Instruments**

The District as part of its operations carries a number of financial instruments. It is management's opinion that the District is not exposed to significant interest, currency or credit risks arising from these financial instruments except as otherwise disclosed.

**Credit Risk**

Credit risk is the risk that the District will incur a loss due to the failure by its debtors to meet their contractual obligations. Financial instruments that potentially subject the District to credit risk consist primarily of cash and cash equivalents, term deposits, and accounts receivable. The District has an investment policy to ensure investments are managed appropriately to secure the preservation of capital and the availability of liquid funds. The District invests surplus funds in accordance with its investment policy. The majority of receivables are due from federal and provincial agencies as well as taxpayers. Amounts due from taxpayers are effectively secured by the property due to the collection method under the tax sale legislation.

**Liquidity Risk**

Liquidity risk is the risk that the District will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivery of cash or another financial asset.

The District manages the liquidity risk by monitoring its operating requirements. The District prepares budgets to ensure it has sufficient funds to fulfill its obligations. There has been no change to the risk exposures from 2024.

**20. Comparative figures**

Certain comparative figures have been reclassified to conform with current year's presentation.

Consolidated total of all grants/contributions exceeding \$25,000	\$179,840
<b>TOTAL PAYMENTS MADE FOR THE PROVISION OF GOODS OR SERVICES</b>	<b>\$11,438,936</b>

*Reasons for Difference between FIR Schedules and Consolidated Statement of Operations:*

- amounts are accrued at year end for good and services received in December, but paid for in the new year
- operational statements are prepared on accrual accounting basis whereby the statement prepared under the FIR regulations are prepared based on actual payments made throughout the year
- payments made to suppliers may include GST, which is 100% recoverable by the District of Mackenzie and not recorded in expenses

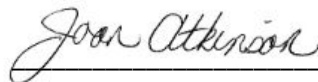

**DISTRICT OF MACKENZIE**

**STATEMENT OF FINANCIAL INFORMATION APPROVAL**

The undersigned, as authorized by the Financial Information Regulation, Schedule 1, subsection 9(2), approves all the statements and schedules included on this Statement of Financial Information, produced under the *Financial Information Act* .

## DISTRICT OF MACKENZIE

### MANAGEMENT REPORT

The Financial Statements contained in this Statement of Financial Information under the Financial Information Act have been prepared in accordance with Canadian generally accepted accounting principles or stated accounting principles, and the integrity and objectivity of these statements are management's responsibility. Management is also responsible for all the statements and schedules, and for ensuring that this information is consistent, where appropriate, with the information contained in the financial statements. This statement of information includes the District of Mackenzie and the Mackenzie Public Library for the year ending December 31, 2025.

Management is also responsible for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced.

The Mayor and Council are responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control, and for reviewing and approving the audited financial statements and supplementary schedules contained in this Statement of Financial Information.

The external auditors, MNP LLP, conduct an independent examination, in accordance with Canadian generally accepted auditing standards, and express their opinion on the financial statements. Their examination does not relate to the other schedules and statements required by the Act. Their examination includes a review and evaluation of the District of Mackenzie's system of internal control and appropriate tests and procedures to provide reasonable assurance that the financial statements are presented fairly. The external auditors have full and free access to the District of Mackenzie.

On Behalf of District of Mackenzie

---

Kerri Borne  
Chief Financial Officer
